

1. The draft programme of work in the field of gender issues and advancement of women for the biennium 2008-2009, which is contained in the annex to the present note, is submitted for the consideration of the Commission on the Status of Women in compliance with the United Nations Regulations and Rules Governing Programme Planning, the Programme Aspects of the Budget, the Monitoring of Implementation and the Methods of Evaluation.
2. The General Assembly, in its resolution 58/269, decided that the programme narratives of the programme budget fascicles shall be identical to the biennial programme plan. In this connection, the General Assembly, in its resolution 61/254 approved the biennial programme plan for the period 2008-2009, which incorporated the programme narrative (part two of the strategic framework), namely the objectives, expected accomplishments of the Secretariat, and indicators of achievement of subprogramme 2 (Gender issues and advancement of women).
3. The draft programme of work, which includes information on proposed outputs, has been formulated within the framework of subprogramme 2 (Gender issues and advancement of women) of programme 7 (Economic and social affairs) of the biennial programme plan for the period 2008-2009.
4. Subprogramme 2, Gender issues and advancement of women, of programme 7, Economic and social affairs, of the biennial programme plan for the period 2008-2009, falls under the responsibility of the Office of the Special Adviser on Gender Issues and Advancement of Women and the Division for the Advancement of Women of the Department of Economic and Social Affairs.
5. The draft programme of work of subprogramme 2 (see annex) has been formulated taking into account global mandates contained in the Beijing Declaration and Platform for Action, the outcome of the twenty-third special session of the General Assembly, entitled "Women 2000: gender equality, development and peace for the twenty-first century", the Declaration of the Commission on the Status of Women on the occasion of the tenth anniversary of the Fourth World Conference on Women, the relevant resolutions of the principal organs of the United Nations, including the Security Council, the General Assembly and the Economic and Social Council, and commitments on gender equality contained in the Millennium Declaration and the 2005 World Summit. The work programme under this subprogramme also includes outputs related to the servicing of the Committee on the Elimination of Discrimination against Women.¹

¹ The substantive servicing of the Convention on the Elimination of All Forms of Discrimination against Women is expected to be transferred to the Office of the High Commissioner for Human Rights.

Annex

I. Part two of the strategic framework for the period 2008-2009: biennial programme plan on gender issues and advancement of women

Overall orientation

1. The programme will continue to emphasize the mainstreaming of gender perspectives into all policies and programmes, which the 2005 World Summit recognized as an essential contribution to achieving gender equality and the internationally agreed development goals. The programme has played a leading role in fulfilling the Organization's responsibility to provide advice and support on this front.

Subprogramme 2 Gender issues and advancement of women

Objective of the Organization: to strengthen achievement of gender equality and the advancement of women, including women's full enjoyment of their human rights

Expected accomplishments of the Secretariat	Indicators of achievement
(a) Advancements in gender equality and elimination of gender discrimination through support and promotion of the full and effective implementation of the Beijing Platform for Action, the outcome of the twenty-third special session of the General Assembly and the 2005 World Summit and the Convention on the Elimination of All Forms of Discrimination against Women	(a) (i) Increased number of policies and actions taken at the national and regional levels to implement the Beijing Platform for Action, the outcome of the twenty-third special session of the General Assembly, the Convention on the Elimination of All Forms of Discrimination against Women and the 2005 World Summit (ii) Increased proportion, as appropriate, of resolutions of the General Assembly that incorporate a gender perspective
(b) Enhanced capacity of the Commission on the Status of Women and the Committee on the Elimination of Discrimination against Women to fulfil their mandates, including the promotion of gender mainstreaming in all political, economic and social spheres	(b) (i) The reduction in the current interval between the date of receipt of a State party's report and the date of its consideration by the Committee on the Elimination of Discrimination against Women (ii) Increased number of representatives of non-governmental organizations that participate in the work of the Commission on the Status of Women

- (c) Increased capacity of the United Nations system entities to mainstream gender perspectives and to undertake targeted measures to empower women in policies and programmes of the United Nations system
 - (c) (i) Increased number of actions taken by United Nations entities, individually and/or collaboratively, to incorporate gender perspectives in their policies, programmes and projects
 - (ii) Improved gender balance through effective implementation of gender-sensitive human resources policy measures by the United Nations system entities
-

Strategy

2. The Office of the Special Adviser on Women and Gender Issues and Advancement of Women and the Division for the Advancement of Women are responsible for the subprogramme. The strategy will include:

- (a) Promoting commitments and actions of Member States and intergovernmental bodies for the full and effective implementation of mandates relating to gender equality, especially those emanating from the 2005 World Summit, the Millennium Declaration, the Fourth World Conference on Women, the outcome of the twenty-third special session of the General Assembly and other resolutions and decisions, such as Economic and Social Council agreed conclusions 1997/2 and Security Council resolution 1325 (2000), as well as obligations under the Convention on the Elimination of All Forms of Discrimination against Women;
- (b) Promoting understanding of emerging issues on gender equality and the advancement of women, through research, analysis and provision of evidence-based policy options, and monitoring of gender mainstreaming in intergovernmental process outcomes;
- (c) Enhancing effective functioning of intergovernmental and expert bodies, including the work of the Commission on the Status of Women and the Committee on the Elimination of Discrimination against Women, through research and analysis, improving, rationalizing and streamlining existing methods of work and facilitating improving,
