ma

Another notable achievement in the advancement of women in Trinidad and Tobago is the increase in the overall participation of women in national leadership and decision-making processes.

Women have been able to elect and serve in leadership and decision-making positions in financial institutions in both the private and public sectors.

In the field of education, Trinidad and Tobago has achieved universal primary school enrolment. At the secondary and tertiary level institutions, males and females have equal access to education.

members. Therefore, the adverse effects of Non-communicable Diseases (NCDs) and a

Mr. Chairman

Our country's track record of its commitment to... underscored. We therefore welcome the establishment of ON Women, the new composite entity for gender equality and women's empowerment, and are confident that under the dynamic leadership of Mr. Williams, the new program will be...

Control and... iteration... for which Trinidad and Tobago
